To Whom It May Concern:

Elizabeth Gurney was my German student for over six months. She came to me for education in business German with the ardor to become a German teacher. Notwithstanding, Elizabeth's ten years of formal training her language skills are remarkable. She is eloquent in conversation and well versed in terms of grammar. She has been a substitute teacher at *ABC Language Exchange* and *Embassy CES* in New York City, and has performed superlatively.

She is embracing and outgoing and would benefit her students greatly. I highly recommend Elizabeth Gurney for the position for which you are considering her.

I thank you in advance for your time and consideration.

Respectfully,
Roxanne Magee
